

KOPELCO S.A. concerns about privacy issues and wants you to be familiar with how we collect, use and/or disclose the information. Many sites may collect information about you, such as your name, address, preferences, etc. We value and respect the privacy of each of our visitors, so we let you know our Privacy Policy where you will find what information we require, how we might use such information, and your ability to review and correct the information. By providing personal data, some of it may be sensitive. Through the Site, you accept the terms and conditions of this Privacy Policy.

#### Data Collection

We collect your personal information because it helps us provide a better service and also give access to our products and services. Furthermore, your personal information helps us keep you up to date of the latest product's launches, special offers and events that may be of your interest. It should be noted that the user can access the information contained on this site without providing personal information. Navigating the site does not generate any link between the user and KOPELCO S.A.

#### Personal information

Your personal information (name, surname, email address) will only be used relating to Marketing purposes as well as to answer comments recorded in our inbox.

#### Information to Third Parties. Legal Requirements

KOPELCO.com will not deliver, sell or rent your personal information to any third parties. KOPELCO.com is entitled to share your personal information in the following cases: (a) to companies that could work for / and / with KOPELCO.com; (b) when required by the corresponding judicial or governmental authorities for the purposes of investigations conducted by them in case of criminal investigations, fraud, hacking or when infringes the Terms and Conditions of the site or any of the rules of our products and services; and (c) when you authorize to disclose information. Disclosure of your information to companies who work for and with KOPELCO.com will only be done in order to provide a service that you have requested or for other purposes described in this Privacy Policy, and these companies are obliged to protect your information the same way KOPELCO.com protects it and cannot use your information for any other purposes, except those specified by KOPELCO.com.

#### Children's Privacy

Our services are available only to those who have legal capacity to contract. Therefore, those who do not comply with this condition should refrain from providing personal information to be included in our databases. Minors may not be able to understand our policy, nor validly decide on the options available, therefore we urge the adults in charge of children to access, to actively participate in the activities that the minor does on the Internet, and teach them how to protect their privacy. Children under 18 should not submit any Personal Information on the site [www.KOPELCO.com](http://www.KOPELCO.com). Users under 18 cannot join our databases nor participate of future newsletters.

#### Cookies

By means of the Cookie Technology or IP tracking, the site KOPELCO.com can access other information related to the user ("Non-specific Information"). To date, the Non-specific Information we collect is information related to the browser you use, the type of computer, operating systems, Internet Service Providers, sections of our site, other sites you visit, your interaction with those and any other similar information. Non-specific Information is used only for ourselves or our Site operators in order to acknowledge which are the favorite areas of our site, what technology is being used, etc...and so be able to improve our site. Your browser, like others, can be programmed to accept cookies. In the case you do not want to provide such information, you can set your browser to refuse cookies, or to warn you when a site tries to send Cookies.

#### Security of the Information

KOPELCO.com is obliged to comply with all current regulations regarding security measures applicable to

Personal Information. KOPELCO.com considers that the users' data must be protected from any loss or unauthorized access. However it is worth to be mentioned that there is no perfect security on the Internet. Therefore, KOPELCO.com is not responsible for illegal interceptions or violation of their systems or databases by unauthorized persons, nor is liable for the misuse of any information obtained by these means.

#### Updating Privacy Policy

Any amendment to the Privacy Policy of the website [www.KOPELCO.com](http://www.KOPELCO.com) will be announced on this page. This Privacy Policy was last updated on February 2016. KOPELCO S.A. reserves the right to amend or remove the content, structure, design, services and conditions of access and/or use of this site, at any time and without any prior notice.
